Those seeking registration as an Auditor/Lead Auditor. Those wishing to lead/conduct internal audits and/or supplier audits. This course enables delegates to interpret the requirements of the ISO 13485 standard, conduct effective audits and produce audit findings.

CONTENT

- Quality, auditing and ISO 13485 terminology
- Interpreting ISO 13485 – the auditing implications
- Types of audit
- Audit objectives
- Audit scope and criteria
- The audit process
- Auditing skills
 - Planning, preparation and management of audits
 - Checklist development
 - Conducting process audits
 - Reporting audit findings
 - Verifying corrective action
- Interviewing skills
- Team leader skills

CERTIFICATE

A Batalas approved certificate for those who successfully complete all elements of the course, including written and practical skills assessment.

FORMAT OF COURSE

This course makes extensive use of a case study to help develop students' understanding and skills. Continuous assessment of student performance is undertaken by the tutor. Written examination takes place on last day of course.

DURATION

5 days. This course is available as a public course, or if you have more than 4 delegates you may wish to have this an In-house course.

NOTE

This course requires delegates to complete a pre-course exercise, the output of which will be used in the early part of the course.
