

ISO/TS 16949 Internal Auditor Training Course

SUITABLE FOR

Those wishing to conduct internal audits to the automotive standard ISO/TS 16949. This course enables delegates to conduct effective audits and produce audit findings. As the course also meets the criteria for ISO 9001 then we are able to provide an IRCA approved certificate.

CONTENT

- Automotive quality management system
 - Process approach
 - Tools and techniques in outline – FMEA, SPC, PPAP, APQP and MSA
 - Continual improvement
- TS 16949 and auditing terminology
- Interpreting key requirements of TS 16949
- Types of audit
- Audit objectives
- Audit responsibilities
- The Audit process (ISO 19011)
 - Preparation/checklist development
 - Gathering evidence of control – observation, sampling and interviewing
 - Reporting audit findings

CERTIFICATE

IRCA approved certificate based upon continuous assessment by tutor and short written test.

FORMAT OF COURSE

Tutor led sessions interspersed with individual and team based exercises. Use of case studies to enable skills to be developed.

DURATION

2 days. This course is available as a public course, or if you have more than 4 delegates you may wish to have this an In-house course.
